

# Radiant Skin Starts Within.

The complete 5-type collagen formula for beauty from the inside out.

## Why Your Skin Needs All 5 Types

### Type I (Bovine)

The most abundant — builds skin firmness and reduces fine lines.

### Type II (Chicken)

Supports the cartilage matrix beneath skin's surface layers.

### Type III (Bovine)

Works with Type I to restore skin elasticity and suppleness.

### Type IV (Avian)

Rebuilds the basement membrane — the invisible scaffold under your skin.

### Type V (Eggshell)

Organises all other collagen types into functional fibril structures.
